

Critical Information Summary

Cloud Unlimited Hosted PBX

Information About the Service

Simtex Hosted Phone System is a comprehensive telephony platform that provides an enterprise-grade phone system for your business. With Simtex you can take advantage of the latest PBX features at sensible prices.

Service Requirements

In order to use the Simtex Cloud / Hosted PBX services you will require an active internet service and a network router. Some handsets require a separate power supply or plug-pack if you are not using an 802.3AF or 802.3AT compliant Power over Ethernet (PoE) network switch.

Service Availability

Simtex services are available Australia wide.

Minimum Term

1 month.

Early Termination and Plan Change Fees

30 days' notice is required for all cancellations.
No plan change fees are applicable.
