

## Critical Information Summary

### SIP Trunk Unlimited

## Information About the Service

A Simtex SIP trunk is the perfect fit for a business needing to make the most of their existing IP or hybrid PBX. Our SIP trunks offer ISDN equivalent functionality and reliability at affordable prices. Should you need additional capacity we can deliver additional lines with a same day turnaround.

### Service Requirements

In order to use a Simtex SIP Trunk service you will require an active internet service and one of the following devices:

- Compatible SIP Handset or SIP ATA (analogue telephone adaptor)
- SIP Softphone
- SIP Complaint PABX – includes Asterisk, FreePBX, Elastix, 3CX, Freeswitch, Cisco Call Manager, MyPBX, Zultus, IPECS, NEC and others

### Service Availability

Simtex services are available Australia wide.

#### Minimum Term

1 month.

#### Early Termination and Plan Change Fees

30 days' notice is required for all cancellations. No plan change fees are applicable.
